

# KSR COLLEGE OF EDUCATION

## Students Satisfactory Survey (2018-2019)

KSR College of Education mainly aims to provide the highest quality education and services to students as its internal stakeholder; hence, the college periodically conducts Student Satisfaction Survey, a feedback mechanism and assessment that measures the students' level of satisfaction based on their experiences at KSR College of education and for the university to implement measures to improve its curricular offerings, services, systems, and procedure to support strategic planning and decision-making regarding further improvement on the institutional services, among students from the B.Ed and M.Ed Programme, by conducting of such survey determines the level of satisfaction of the students across colleges based on their experiences in terms of (1) academic support and instruction, (2) facilities and academic infrastructure, (3) quality learning environment, and (5) Teacher availability and Curriculum.

A student will have to respond to all the questions given in the questionnaire with her/his sincere effort and thought. This survey is being conducted and its motto is to upgrade the quality in higher education. A student will have to respond to all the questions given in the following format with her/his sincere effort and thought. Her/his identity will not be revealed.

### **Key Findings**

#### **Basic facilities and Physical Facilities:**

- These two facilities are essential for every educational institution. This survey proves that the students satisfy about the classrooms, hostel facilities and safety and security.
- The students appreciate the environment of the college, restroom, eco friendly campus, drinking water facility.
- The library facility got main appreciation among the students, in fact our library have almost 10,000 books.

#### **Teaching Facilities:**

- The students also show complete satisfaction on teaching facilities like curriculum and syllabus, teaching effectiveness, remedial measures taken by the teachers.
- The respondents provide high appreciation for Mentoring of the teachers, also the encouragement from them.

### **Learning Facilities:**

In this part student felt complete satisfaction on ICT and internet enabled classroom in college. They also admire the test and evaluation methods. The students suggest the college has to conduct even more seminars to enhance the students quality.

### **Other facilities:**

- Students Expressed complete satisfaction for outreach programmes, encouragement for the students social activities.
- The students acknowledged the sports activities, co curricular activities and especially soft skill development programmes.
- The overall satisfaction level of the students about the facilities provided by the college is very good. From the survey most of the participants responded that they are satisfied with the services rendered by the college. With the implementation of the improvement actions identified in this survey, we are expecting better results in the forth coming years.
